

Speaking out for people with intellectual disabilities

The Value of VOR Membership!

VOR is a national, nonprofit 501(c)(3) organization that is unique in its fundamental mission to advocate in support of a full continuum of care options for people with intellectual and developmental disabilities, and their families.

VOR is 100% privately funded and receives more than 95% of its financial support from families of individuals with intellectual and developmental disabilities.

Individuals investing in VOR through membership dues and donations enjoy the intangible benefit of supporting the **only** national organization advocating for the right of individuals and their families to choose from among an array of residential options, including own home, in-home, community-based and facility-based care. We recognize and champion the right of individuals and their families to be the primary decision-makers regarding care and policy decisions.

Thousands of individuals, families, professionals and organizations support VOR through annual membership dues and additional contributions. The membership's ongoing financial and advocacy support speaks directly to the grassroots' confidence in VOR's ability to succeed in its Mission on behalf of people with intellectual and developmental disabilities.

For additional information, you are invited to review [VOR's Membership Benefits](#) and [VOR Milestones](#).

Supporting VOR is a good investment!
Thank you for your membership and financial support!
